

Modern Foreign Languages

Intent

At Tweedmouth Prior Park First School we work with the children to develop an interest in learning other languages. We aim to introduce the learning of the French language and the understanding of its culture. We aim to embed the essential skills of listening, reading, speaking and writing. We aim to lay the foundations for future language learning.

Implementation

All children in Year 3 and 4 are taught French in a weekly discreet lesson. From Autumn 2021 we will use La Jolie Ronde scheme. units to progressively develop skills in French. These ensure children acquire a bank of vocabulary organised around topics. They ensure development is progressive as they build on previous knowledge from units already studied. Key Stage 1 children are introduced to MFL through exploring other languages informally when studying another country.

Impact

Teachers assessment of French takes place throughout lessons. This helps teachers plan for future lessons.
